

Pinehurst Animal Hospital Doggie Day Care

Monday - Friday 7:30am - 5:30pm

Is your dog getting the exercise and socialization they need? Doggie day care services are designed to improve your pet's quality of life in a safe, fun, and nurturing environment. We provide both dog and human interaction that benefits mental stimulation and socialization.

Our day care program offers the perfect balance of exercise, socialization and fun! We have large outdoor play yards, so your pet can run around and play in the fresh air! When not in play groups your pet can rest on a raised dog bed in a climate controlled indoor kennel.

We pride ourselves on being able to cater to nearly all types of dogs, regardless of age, size, and energy level.
